Hi

Dear Sir,

Sub: Cancellation of booking of plot and Refund of advance paid-Regarding  
Ref: Customer ID : 1014942820

I submit that I have placed an order through your company to allot/procure a farm land plot of 2178 sq feet in the GREEN SHINE PROJECT and paid some installments through your office. I have been informed that my account has been classified as "default account" due to non-payment installments regularly and offered me a facility of regularization of my booking by paying the balance amount of the plot without penalty to get the plot registered. In this connection, I submit that I am not in a position to pay the balance amount and stamp duty etc., to get the plot allotted/registered. Hence I request you to refund my instalment monies paid with compensation if any at the earliest.

Thanking You,

Witness:

Yours faithfully,
